Principal's Message:

It's hard to believe that we are in March and that Spring is just around the corner.

We'd like to thank all parents and students who attended our Grade 6 to 7 Parent Information Night as well as all parents who attended our Grade 8-9 and 9-12 Parent Information Night. We hope the team provided you with information to help you support your child in making course selections for next year.

In February, we celebrated Black History Month. It was filled with prayer, acknowledgement of black Canadians who broke barriers, assemblies, guest speaker, movies, spirit week, and flash mob dance.

March 2020

We also observed Ash Wednesday, Kindness Week, and Pink Shirt Day.

Our school community had the pleasure of attending our school musical, The Sound of Music. Please join me in congratulating our actors, musicians, technicians, staging crew, and director. It was a huge success!

So far in March, we held our Parent-Teacher Interviews (intermediate panel) and had our Read-A-Thon. Both were very well attended. Thank you to all parents and students who came out for the interviews as well as our staff and students who participated in our Read-A-Thon. It's great to see that we are all lifelong learners.
